

creating conditions for change

The Partnership

Our Commitment Post Covid-19

Our office is committed to keeping our clients, their families and our employees safe and healthy post-COVID-19. We have implemented the following changes to continue to follow social distancing rules and keep everyone in our office safe.

- Reconfigured group counseling and workshop classrooms to ensure social distancing
- Public areas like bathrooms, workstations, check-in/check-out will be cleaned and sterilized regularly
- Limit number of clients by scheduling clients to ensure social distancing
- Temperature checks
